Hi, All.

When I realized that it is less than a month away (yikes!), I thought it might be a good idea if we got together to discuss the August 5th CFAC community meeting.

I've been thinking about outreach for the meeting, and some questions I have are:

- What format do we want to use (presentation(s), open house, or some combination of the two)?
- Who do we want to speak?
- What do we want on the agenda?
- Do we want any posters, large format maps or other items that will take a while to prepare?

We can use my conference number:
